

2014 CANTO SUPER TUSCAN
Napa Valley

Canto is our signature red wine blend, made from premium, hand-selected fruit. This wine is the culmination of an inspired vision, skillful winemaking and an intuitive search for the finest grapes.

BLEND

Sangiovese 55%

Cabernet Sauvignon 20%

Merlot 20%

Cabernet Franc 5%

VINEYARD

Traditionally, Canto has been a “Super Tuscan” blend at Luna Vineyards. In 2014, we combined reserve selection Sangiovese from the Game Farm Vineyard in Oakville with Merlot from Howell Mountain, Cabernet Sauvignon from Atlas Peak, and Cabernet Franc from Coombsville.

WINEMAKING

All of our fruit was handpicked and sorted before going into the crusher, which lightly cracks the berries. They are then sorted by hand a second time, so that only the best grapes make it into the wine. We allowed a very warm fermentation, to extract the most possible flavor and texture from the grapes. All of the lots were aged separately in oak barrels for twenty months. The lots were blended and bottled in May 2016.

TASTING NOTES

The 2014 Canto has a dark, inky hue. The nose swirls with blackberry and blueberry, followed by notes of anise, clove and vanilla with cedar in the background. In the glass blackberry continues to resonate, accompanied by interludes of mocha, nutmeg, toffee, and wild blueberries. Velvety, cocoa infused tannins round out the finish. This wine will age gracefully to 2025 and beyond.
