

Canto Super Tuscan

Our signature red wine blend, Canto is the culmination of an inspired vision, skillful winemaking and an intuitive search for the finest grapes.

Traditionally, Canto has been a “Super Tuscan” blend at Luna Vineyards. In 2014, we combined reserve selection Sangiovese from the Game Farm Vineyard in Oakville with Merlot from Howell Mountain, Cabernet Sauvignon from Atlas Peak, and Cabernet Franc from Coombsville.

All of our fruit was handpicked and sorted before going into the crusher, which gently crushes the berries. They are then sorted by hand a second time, ensuring that only the best grapes make it into the wine. We allowed a very warm fermentation, to extract the most possible flavor, texture, and color from the grapes.

The 2014 Canto has a dark, inky hue complimented by velvety, cocoa infused tannins. The tannin structure will allow this wine to age gracefully to 2025 and beyond.
