

ESTATE DIJON CHARDONNAY

This Chardonnay comes from our estate vineyard along the Napa River. Grapes at this vineyard benefit from sandy, well-drained soil. They are protected by extended early morning fog and can ripen slowly, thereby developing complex flavors.

Growing conditions in 2017 were ideal for our Chardonnay grapes. Warm days and cool nights allowed for optimal growing conditions. The grapes were harvested in mid-September at the peak of ripeness.

The 2017 Estate Dijon Chardonnay is a full-bodied expression of Chardonnay's varietal character. The varietal itself originates from the heart of Burgundy, hence the name, *Dijon Chardonnay*.
