

Mille Baci

Our estate vineyard is located in the southern end of Napa Valley known for providing excellent growing conditions for white wines. Its proximity to the San Francisco Bay provides morning fog, creating ideal growing conditions to make a fully botrytized late harvest wine.

These grapes are left on the vine until 30 Brix. At this time, naturally occurring botrytis sets in the grape clusters, also known as Noble Rot in classic Sauternes production. The Botrytis produces luscious honey notes and mouthfeel which perfectly complements the grapefruit and delicate floral aromas of Pinot Grigio.

EXPECT NOTES OF

Guava, honeycomb, and apricot on the nose

Mango, apples, toasted nuts, velvety creamed honey, and crème brûlée on the palate

APPELLATION

Luna Estate, Oak Knoll, Napa Valley

BLEND

100% Pinot Grigio

FERMENTATION
