

2015 PINOT GRIGIO RESERVE
Napa Valley

BLEND

Pinot Grigio 100%

VINEYARD

Our vineyard is located in the southern end of Napa Valley known for providing excellent growing conditions for white wines. Its proximity to the San Francisco Bay provides morning fog and cooling afternoon breezes, both beneficial to retention of Pinot Grigio's delicate fruit and acidity.

WINEMAKING

Winemaking focused on retention of the floral and delicate fruit flavors of this grape. The fruit was pressed directly without destemming in the manner of traditional champagne. Fermentation was conducted at low temperatures in neutral barrels. Secondary malolactic fermentation was avoided. The new wine was kept on its yeast lees for five months and then clarified by a series of rackings until it was bottled in February, 2016.

TASTING NOTES

This wine exhibits aromas of lemon tart and citrus blossom with hints of jasmine. In the glass flavors continue with tantalizing fresh mandarin, lemon and toasted almonds. A lingering, brisk finish is a signature to this vintage.
