

MINUET SANGIOVESE ROSÉ

With its playful mix of red fruits & berries, and tantalizing acidity, Luna's 2019 Minuet Sangiovese Rosé is nothing shy of summertime in a glass.

This rosé was made with a blend of fruit from Atlas Peak Sangiovese and northern Calistoga using the *saignée* method after 6 hours of skin contact. These two vineyards produce beautiful, varietally correct Sangiovese making this "Rosato" Rosé a fun and feminine prelude to the barrel aged full-bodied wines.

Luna's 2019 Sangiovese Rosé wine is full of strawberry and watermelon.
